

CAPABILITY STATEMENT

Core Competencies

Started in 2011, *Mow Beta!* is certified as a woman-owned, service-disabled veteran, minority business enterprise. We specialize in tough mowing jobs, including mowing and trimming of slopes, brushhogging of overgrown areas and right-of-ways, and cleanup of vacant lots. During the winter, we provide snowplowing and deicing of parking lots and walkways.

- Our aim is to work safely and efficiently in unusually tough landscapes
- We use job-specific equipment such as specialty slope mowers
- In winter, we offer snowplowing and deicing services to our local customers
- We focus on commercial, industrial, and governmental agency customers
- We offer employment and training to marginalized populations
- English/Spanish interpretation & translation services available at customer's location

Past Performance

- *Arkansas Disability Determination for Social Security
- *Arkansas State Highway and Transportation Dept
- *Crowne Plaza Hotel, Little Rock
- *Hobby Lobby Store, North Little Rock
- *County of Lonoke
- *City of Sherwood
- *City of Coal Hill

Differentiators

- *Combat veteran owned and operated
- *12 years experience in grounds maintenance
- * Mowing service for slopes, levees, ditches
- *Professional snowplowing & de-icing services in winter
- *Rapid-Response crew available
- *Commercial-grade and specialty equipment utilized
- *Primary owner has MS degree in forestry
