

# CAPABILITY STATEMENT

## Core Competencies

Mow Beta! Mowing & Snowplowing services the Central Arkansas area and has been a woman-owned, service-disabled veteran, minority business enterprise since 2011. We focus on slope mowing, brushhogging, right-of-way maintenance and cleanup of overgrown properties, plus snow and ice management services in winter.

- Our aim is to work safely and efficiently in unusually tough landscapes
- We use job-specific equipment such as slope mowers & a tractor boom mower
- In winter, we offer snowplowing, ice pre-treatment, and de-icing services
- We service commercial, industrial, and governmental customers
- Low-snowfall-area B2B snowplow training also offered at location of choice
- Instruction and translation in Spanish available as an optional service
