

Privacy Notice

Disclosure

This privacy notice discloses the privacy practices for our company, *Mow Beta! Mowing & Snowplowing*.

Our website does not intentionally collect personally identifiable information from you. Instead, we encourage you to contact us via phone, email, or text message if you have any questions about our company and the services we offer.

Information Collection, Use, and Sharing

Our website is informational only and does not contain a registration page.

We only have access to information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, i.e., to provide you with the service or services that you requested from our company.

Unless you ask us not to, we may contact you via phone or email in the future to tell you about service contract renewals, specials, new products or services, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following by contacting us via the email address or phone number given on our website:

Change/correct any data we have about you.

Have us delete any data we have about you.

Express any concern you have about our use of your data.

Security

We take precautions to protect your information. We do not solicit sensitive information, i.e., credit card details, via our website.

If and when you request a service from us, we will ask you to read and sign our company's service contract and that contract will specify terms of payment.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Sharing of Info

We use an outside shipping company to ship orders, and a credit card processing company to bill users for goods and services. These companies do not retain, share, store or use personally identifiable information for any secondary purposes beyond filling your order.
